25X1 10. [] Met with Mr. Thad Murray, Administrative Assistant to Representative Porter Hardy, Jr., (D., Va.), and made an appointment for the Director to meet with Representative Hardy on Monday morning at 9:45 in Chairman Hardy's office, room 2109 Rayburn Building. Chairman Hardy personally confirmed the meeting time.

25X1 11. [] Met with Mr. Charles Johnson, Staff Director, House Post Office and Civil Service Committee, and gave him a sectional analysis of S. 1035 for his use in discussing the bill. Mr. Johnson indicated that although the bill had been assigned to Subcommittee, a routine request had been made of the Bureau of Budget for comments. No further action is contemplated at the present time, nor has any interest in the measure appeared so far. In conversation, it was noted that until such time as the report is received from Bureau of Budget, the absence of the report provides a normal basis or explanation for non action in the Committee.

25X1 12. [] Met briefly with Mr. Garner J. Cline, Counsel, House Immigration and Nationality Subcommittee, and Mr. Cornelius J. Leary, Special Deportation Officer, Immigration and Nationality Service, concerning []
25X1 and [] It was noted that it is customary in the Committee for the Federal agency sponsoring such a bill to appear in executive session before the Committee, and that when this bill was called, no one had appeared. In consequence, further action has been suspended. The Committee desires appearance and presentation in executive session by the sponsoring agency. I advised that I would review the matter from the Agency point of view and be back in touch with the Committee on Monday.

STAT 13. [] Mr. Orville Watkins, Administrative Assistant to Resident Commissioner Polanco-Abreu (Pop. D., P.R.), was away from the office during the day due to illness, and the Commissioner's schedule backed rather severely as a result thereof. I hope I will be able to meet with Mr. Watkins on Monday before meeting with Mr. Polanco, concerning verification of [] excise tax reporting.
